

## DEPARTMENT OF FINANCE BILL ANALYSIS

**AMENDMENT DATE:** Original  
**POSITION:** Oppose

**BILL NUMBER:** AB 2281  
**AUTHOR:** Torres, Norma

### **BILL SUMMARY:** Emergencies: the State 911 Advisory Board.

This bill would expand the size of the State 911 Advisory Board.

### **FISCAL SUMMARY**

The bill could result in minor costs to pay additional travel for the additional board members.

### **COMMENTS**

Finance opposes expanding the membership of this board because the Governor's Budget proposes elimination of the State 911 Advisory Board. This Board is no longer necessary since policies and procedures are revised as necessary through the state administrative processes.

The Warren 911 Emergency Assistance Act establishes the State 911 Advisory Board to advise on subjects relating to the state's 911 emergency telephone response system.

This bill would add two members to the Advisory Board, one member to be appointed by the Speaker of the Assembly and the other to be appointed by the Chair of the Senate Rules Committee. The bill would also require members of the Advisory Board to themselves attend meetings and not be allowed to designate a substitute representative.
